Creative artists should be given freedom to express their ideas (words, pictures, music and films. However some people think government should take some restriction with them. To what extent do you agree or disagree with this opinion? Give your reasons with own knowledge and give examples. The responsibility of an artist is to create artworks to cater for people ' s needs for aesthesis and enjoyment. Some masterpieces by the world-renowned artists like Shakespeare, the greatest poet in British literature ; Vinci, the most famous Italian painter, architect and sculptor impress the people around the world deeply. From my point of view, the government should not give restrictions to artists. On the contrary, their creativity and innovation should be encouraged. (71 words)

Creativity is the source of arts. The development of literature is a very vivid illustration. From Classicism to Romanticism, from Renaissances to Realism, from Humanity to Post-modernism, (从古典主义到浪漫主义, 从文艺复兴到现实主义, 从人文主义到后现代主义) all the styles of literature reflect people ' s thinking and have epoch-making significance. Suppose there were only one style of literature, people would not appreciate so abundant poetry and novels and our world would become so monotonous. Furthermore, restrictions on creativity will arouse tragedies, one of which is “ Burn books and bury the literati in pits

” (焚书坑儒) in Chinese history launched by Emperor Qin Shihuang, who buried the Confucian scholars alive and prohibited the dissemination of Confucian. Another tragedy was started by Emperor Yongzheng in the Qing Dynasty, who killed many creative artists and intellectuals, undermining the literal development and distorting the development of humanity. History proves that only when a government encourages people to express their own idea and thought freely, can its country make progress and prosper. Finally, I will quote a classic sentence from a famous article entitled “ Give Me Liberty Or Give Me Death ” by Patrick Henry, the greatest writer in American history, “ I know not what course others may take ; but as for me, give me liberty or give me death! ” (不自由，勿宁死！) nbsp ; nbsp ; nbsp ; nbsp ; nbsp ; 100Test 下载频道开通，各类考试题目直接下载。详细请访问 www.100test.com
