这里看到了不少冬冬。。偶之前都不知道version概念的。

。:Pok..今天的cure card是computer前的invention , what s that?
then 比较。。好处或是坏处 , why?further question.. rural and
country ,differece for using the invention ..?did some new
invention?in the future invetion的发展方向other question..color
for your choice ,,your major? why? study 安排。。prefer to learn by
teacher or by yourself , why?if or not like new things to learn? why ?
now ,what do you learn (for new things) ?cloth or fashion是否重
要 , 为什么。款式和以前的不同。some ansers of mine..cloth
remeber almost everything need to say why or why not!choice cold
color, just make me feel easy , do not like pink or red , is too bright
anc colorful.learn by myself , the teachers only can teach me things
which he or she knows ,but i prefer to my interesting and plan by my
self..so on..invention: tv, three aspects, first to the old people , 有利
。to the child not. to the worker not.. child need learn more
things.worker need improve skill ...so on..in future.. univers or under
ground, because people know little things about ..thats all几点主意
。。今天是个madam考得我 , 前面考得也是个mm我是第二个
 , 坐在外面的时候就听到里面madam的声音 , 很响亮咯。。
标准的lodon madam..呵呵有点怕 , 不过我还是比较偏
向madam来考我的 , 个人因素比较少一些也比较的公平~

:Pmadam 可能相对比较严肃，但是记住看她的眼睛，，问题问得比较得快，一个跟一个，，不行的就pass or move.. 当时有点紧张，有些问题没有答好，，追悔莫及中~ ：（ nbsp ; nbsp ; 100Test 下载频道开通，各类考试题目直接下载。详细请访问 www.100test.com
