磕巴，唉！主要是，一开始叫我的时候正好在厕所里（怎么尿这么多），让考官jj在门口等了一会儿。连声说sorry！总的来说讲的内容比较生动，有点引起考官jj共鸣的意思.....不过不是很肯定。末了，考官说over，我夸张地说了一句：

“over? its so quick!”考官jj说，“its good for you to think its good.”不知是祸是福？抑或根本自作多情.....（经常用眼睛电她.....^o^）topic有：stage 1name?hometown?studing or working?whats your major?why you chose it?whats your future plan?-----到这里，都是有逻辑承接关系的-----然后，我晕，居然真的考到shopping，我最讨厌的题目，考前还和一妹妹说笑来着.....who do the main houseworking in your family?do you often go shopping?who do the main shopping in your home?what is the difference between woman and man in shopping?（我compare了）-----到这里是shopping-----do you like photography?do you have a photograph on the wall?（我晕，on the wall?不会是说长城吧？反正我说的是在我家墙上.....）whats that for?-----到这里是photo。然后.....-----what is the difference between the old man and younger on the attitude toward the life?（这个问题16个topic里面好像没有吧？幸好我机灵，引用了新概念里面的一段话，配合手舞足蹈，博得jj频频点头）what is the attitude of chinese toward elders?nbsp ; nbsp ;
