第二大题 阅读理解 (共25小题。第一节  
每小题2分, 第二节每小题1分.满分45分) 第一节 阅读下列短文,  
从每题所给的四个选项(A、B、C和D)中, 选出最佳  
选项, 并在答题卡上将该项涂黑。A For centuries, the only form  
of written correspondence (通信) was the letters were, and are, sent by  
some form of postal service, the history of which goes back a long  
way .indeed, the egyptians began sending letters from about 2000  
BC, as did the Chinese a thousand years later. Of course, modern  
postal service now are march more developed and faster. depending  
as they do on cars and planes fore delivery. Yet they are stell too slow  
for some people to send urgent documents (紧急文件) and letters.  
The invention of the fax (传真) machine increased the speed of  
delivering documents even more. When you send a fax you are  
sending a copy of a piece of correspondence to someone by  
telephone service. It was not until the early 1980s that such a service

was developed enough for businesses to be able to fax documents to each other. The fax service is still very much in use when copies of documents require to be sent, but, as a way of fast correspondence, it has been largely taken the place of by email. Email is used to describe messages sent from one computer user to another. There are advantages and disadvantages with emails. If you send someone an email, then he will receive it extremely quickly. Normal postal services are rather slow as far as speed of delivery is concerned. However, if you write something by email, which you might later regret, and send it immediately, there is no chance for second thoughts. At least, if you have to address and seal (封) the envelope and take it to the post box, there is plenty of time to change your mind. The message is think before you email!

41. We can learn from the text that \_\_\_\_\_.  
A. email is less popular than the fax service  
B. the postal service has over the years become faster  
C. the postal service has over the years become slower  
D. the fax service has a history as long as the postal service does

42. It can be inferred from the text that \_\_\_\_\_.  
A. the fax service had been fully developed by the 1980s  
B. letters have been used in China for about 1,000 years  
C. the fax machine was invented after the 1980s  
D. letters have been used in Egypt for about 2,000 years

43. In the last paragraph, the writer intends to show that \_\_\_\_\_.  
A. you may regret if you don't seal your envelope  
B. you may regret before you send something by email  
C. you'd better not send your email in a hurry  
D. you regret before you are on time to send an email

44. The text mainly deals with \_\_\_\_\_.  
A. the progress in

correspondence B. the advantage of fax machines C. the advantage of emails D. the invention of fax machines
