I'd like all the candidates that I see to apply through UCAS BEFORE I arrive. I understand that this is a little bit unusual, but it will greatly speed up the process. The easiest way to achieve this is to apply online. I am happy to advise on this, but in the first instance, the instructions can be found here:

<http://www.ucas.ac.uk/apply/index.html> They will need to identify the Birmingham programme that they would like to pursue. These are detailed in the prospectus, which is available

here:<http://www.undergraduate.bham.ac.uk/engineering.pdf> When they have identified the appropriate programme, they should note down the course code here are the most common examples:

Electrical & Electronic Engineering H600

Mechanical Engineering H300

Materials Engineering J5F2

Civil Engineering H200

Chemical Engineering H800

The code for the University of Birmingham is B32. 面试时间定于3月23日和24日，请注意网上即将公布的具体时间和地点。外事处2006年3月13日 100Test
