ideas about donating blood vary from person to person . some people think that it is glorious to donate blood . they hold this

opinion because those who are in urgent need of blood can be saved . however , others hold that it is foolish for people to donate blood

. in their opinion , blood is very precious and losing 200ml or more may do harm to their health . as to me i am in favor of the first

idea . the following are the reasons for my choice . first , while it is true that the loss of too much blood is dangerous to one ' s health

, it does not mean that donating a little blood is also harmful . on the contrary , doctors say that donating a little blood can promote

metabolism . second , there are many people who need our help . if my little donation of blood can pull back somebody on the way

to death , will there be anything that can make me happier ? in a word , donating blood is glorious . 套路2 : different people have different views on . . . it is held that . . . but it is also held that . . . those who hold the first opinion . . . in contrast , those who hold the second view . . . as to me , i agree with the latter opinion . admittedly , . . . but this is not to say that . . . 【范文】 my view on friendship different people have different views on friendship . it is held that a friend in need is a friend indeed . but it is also held that friendship means understanding each other . those who hold the first opinion often ask their friends for help when necessary . they regard those who help them as friends but regard those who don ' t help them as mere acquaintances . in contrast , those who hold the second view believe that they have no right to ask their friends to do everything for them , especially those things that might be inconvenient for their friends . as to me , i agree with the latter opinion . admittedly , friends should help each other , but this is not to say that friends must agree to offer help in any circumstances . if we want to keep our friendship , we should cherish it but not use it . what ' s more , it should be understood that with the modern pace of living most people are busy . they may not have time to lend their friends a hand on short notice . in a word , understanding is preferable to need . 100Test 下载频道开通 , 各类考试题目直接下载。详细请访问 www.100test.com
