Although interior design has existed since the beginning of architecture, its development into a specialized field is really quite recent. Interior designers have become important partly because of the many functions that might be 46 in a single large building. The importance of interior design becomes 47 when we realize how much time we 48 surrounded by four walls. Whenever we need to be indoors, we want our surroundings to be 49 attractive and comfortable as possible. We also expect 50 place to be appropriate to its use. You would be 51 if the inside of your bedroom were suddenly changed to look 52 the inside of a restaurant. And you wouldn't feel 53 in a business office that has the appearance of a school. It soon becomes clear that the interior designer's most important basic 54 is the function of the particular 55. For example, a theater with poor sight lines, poor sound-shaping qualities, and 56 few entries and exits will not work for 57 purpose, no matter how beautifully it might be 58.

Nevertheless, for any kind of space, the designer has to make many of the same kind of 59. He or she must coordinate the shapes, lighting and decoration of everything from ceiling to floor. 60 addition, the designer must usually 0select furniture or design built-in furniture, according to the functions that need to be served.46.
