范文】 1 traveling by train or by plane when we go on a business trip  
 , we will be faced with the choice between traveling by train or by  
plane . before making the right choice , we had better make a close  
comparison and contrast of them . first of all , a train will take us to  
our target railway station . also , a plane will take us to the target  
airport . second , in a train we can enjoy the beautiful scenery of the  
countryside . likewise , in a plane we can command a good view of  
fields , buildings , mountains and even clouds below . despite their  
similarities , traveling by train or by plane are also different in the  
following aspects . first , a train ticket is less expensive . most of us  
can afford it . however , a plane ticket is about twice as expensive as  
a train ticket . most of us grudge paying for it . besides , it is safer  
to travel by train . if the train gets into trouble , we may survive by  
jumping out of it . on the contrary , if we travel by plane , we have  
to ask god to bless us . finally , it takes us longer time to travel by  
train than by plane . therefore , it depends which transportation  
tool we should choose . if we just want to save money , we will  
travel by train ; but if we want to save time , we should turn to the  
plane . 【范文】 2 some people prefer to study at home using such  
technology as computers. others prefer to study at traditional

schools. when we talk of studying , we will be faced with the choice between studying at home or study at traditional schools. before making the right choice , we had better make a close comparison and contrast of them . first of all , studying at home can save a lot of time if your classroom is right in your own home. second , studying at home using such technology as computers can make us learn more from the internet and educational courses on tv than you can at school. likewise , studying at classroom can provide us with knowledge form teachers. despite their similarities, studying at home or at classroom are also different in the following aspects . first , studying at home can save us a lot of time. however, studying at classroom takes a lot of time on the way to school. besides , the advances made in the electronic media have made the traditional classroom out-of-date. on the contrary , studying alone at home is boring for many people . finally , there can be no substitute for a good teacher, who must not only be able to impart facts and theories, but also to appraise and encourage his students. 100Test 下载频道 开通 , 各类考试题目直接下载。详细请访问 [www.100test.com](http://www.100test.com)
