Americans think that a welcomed guest should first be punctual. If  
one is invited to dinner at 6:30, the hostess will expect him or her to  
arrive at 6:30 or at most a few minutes later. If the guest cannot arrive  
on time, he or she should call the host or hostess, explaining the  
reason and informing the arrival time. The Advantages and  
Disadvantages of the Taxi Nowadays, in many big cities taxis have  
become an important transport means. They offer quick and  
convenient services to the city people. For example, if you need to  
get to the downtown of the city quickly for a meeting, a taxi can take  
you there on time. When someone is sick, a taxi can take him to  
hospital as soon as possible. Nevertheless, some problems exist in taxi  
services. From time to time, some taxi drivers refuse passengers, who  
would take a short distance trip from which the drivers cannot make

much money. And some taxi drivers overcharge the passengers. To solve these problems, I would like to suggest that passengers should take down the taxi ' s number and report to the organization concerned. The city government should also make regular check-up on the taxis. In the meantime, a kind of punishment should be given to those who have violated certain regulations. In this way , the situation will improve. 100Test 下载频道开通 , 各类考试题目直接下载。详细请访问 [www.100test.com](http://www.100test.com)
