between people, rather than the events that occur in their lives that are the main focus of social psychology.2. It is very hard to believe that when Lincoln was born, communications were a little faster than in the days of Julius Caesar.3. Although we had been present at roughly the same time, Mr. Brown saw the situation quite different from the way I saw it.4. Some of these studies have shown that although some people have trouble to fall asleep, Others have an equally difficult time waking up.5. Never before I have seen anyone who has the skill John has when he repairs cars.6. Should John resign and Henry succeed him, we would have had a more vigorous leadership.7. Historically, no artists have presented clearer or the more complete records of the development of human culture than sculptors have.8. Although the police are given considerable authority by society to enforce its laws, they get a relatively low salary as compared with that of other occupational groups which have much fewer authority.9. Thirteen hundred medical professionals, all of which have been trained to treat drug dependency, attended the annual convention sponsored by a society.10. More than three years after moving from Australia to this remote point of England, we are still learning how things have done here. 100Test 下载频道开通，各类考试题目直接下载。详细请访问 www.100test.com
