This great event cheered every Chinese in the world. As an international sports meeting, the 2008 Olympic Games is of great importance to China and Chinese people. 来源：考试大 There can be no doubt that the significance of the 2008 Olympic Games can be clearly seen in the following aspects. To begin with, Beijing 2008 Olympic Games will improve China ' s international status and prestige. As we know, China is the first developing country in the world to host Olympic Games. It will provide a good chance for the people in the world to know China. What ' s more, it will necessarily promote China ' s reform and opening-up and accelerate economic construction. A lot of business opportunities will be offered to foreign investors. Furthermore, Beijing 2008 Olympic Games will enhance the communication between Chinese people and the people from the world not only in the field of sports but also in culture. 来源：考试大 As shown in our previous discussion, we may reasonably come to a conclusion that Beijing 2008 Olympic Games will bring China historic and realistic significance. It is, therefore, high time that we took action to get full preparation for Beijing 2008 Olympic games. 100Test 下载频道开通，各类考试题目直接下载。详细请访问 www.100test.com
