路：来源：考试大 when we . . . / you , we . . . / you will be faced with the choice between a and b . before making the right choice , we / you had better make a close comparison and contrast of them . first of all , a . . . also , b . . . second , a . . .

. likewise , b . . . despite their similarities , a and b are also different in the following aspects . first , a . . . however , b . . . besides , a . . . on the contrary , b . . . therefore , it depends which . . . we / you should choose , if we / you . . . , we / you should choose a ; but if we / you . . . , we / you should turn to b . 来源：考试大【范文】1 来源：考试大

traveling by train or by plane when we go on a business trip , we will be faced with the choice between traveling by train or by plane . before making the right choice , we had better make a close comparison and contrast of them . 来源：考试大 first of all , a train will take us to our target railway station . also , a plane will take us to the target airport . second , in a train we can enjoy the beautiful scenery of the countryside . likewise , in a plane we can command a good view of fields , buildings , mountains and even clouds below . despite their similarities , traveling by train or by plane are also different in the following aspects . first , a train ticket is less expensive . most of us can afford it . however , a plane ticket is about twice as expensive as a train ticket . most of us grudge

paying for it . besides , it is safer to travel by train . if the train gets into trouble , we may survive by jumping out of it . on the contrary , if we travel by plane , we have to ask god to bless us . finally , it takes us longer time to travel by train than by plane . therefore , it depends which transportation tool we should choose . if we just want to save money , we will travel by train ; but if we want to save time , we should turn to the plane . 来源 : 考试大【范文】 2

some people prefer to study at home using such technology as computers. others prefer to study at traditional schools. 来源 : 考试大 when we talk of studying , we will be faced with the choice between studying at home or study at traditional schools. before making the right choice , we had better make a close comparison and contrast of them . 来源 : 考试大 first of all , studying at home can save a lot of time if your classroom is right in your own home. second , studying at home using such technology as computers can make us learn more from the internet and educational courses on tv than you can at school. likewise , studying at classroom can provide us with knowledge form teachers. despite their similarities, studying at home or at classroom are also different in the following aspects . first , studying at home can save us a lot of time. however, studying at classroom takes a lot of time on the way to school. besides , the advances made in the electronic media have made the traditional classroom out-of-date. on the contrary , studying alone at home is boring for many people . finally , there can be no substitute for a good teacher, who must not only be able to impart facts and theories, but also to appraise and encourage his students.

therefore , it depends where we should choose to study . if we just want to save a lot of time and money, we will study at home ; but if we concentrate on what we learn , we should turn to classroom.
