minutes)Part V Translation (30 minutes, 15 points)Directions:

Translate the following passage into Chinese and put your translation on the ANSWER SHEETOne of the really nice features about

e-mails is that they allow us to send files as attachments to other

users. This is a very good thing. If Im working with a colleague and

want to send him an image file or a word file, I can do so very quickly

and easily, without having to fax it to him. This saves on long

distance bills and printing costs. It also, however, presents a problem,

because attachments can take a long time to download. For those of

us who pay by the hour for Internet service, unwanted attachments

can be quite costly and time-consuming. I once had someone send

me fifteen large image files, and it tied up my computer for 20

minutes just to download one of them. So, in short, if youre going to

send an attachment, get permission first.Part VI Writing (30 minutes,

15 points)Directions: You are to write in no less than 120 words on

the title of "College Students Should (Not)Be Permitted to Live Off

Campus". You are to take a position, either for or against the matter,

and give your reasons. You should base your composition on the

following Chinese outline.近年来大学生在校外租房居住的现象

的看法不一，各持己见。1．你对这个问题的观点是.....2
