SECTION 3:  
SECONDARY- TERTIARY EDUCATION  
12. What were some of the rules you had to follow at your high school? ; ; ; Did you ever get caught breaking any school rules? ; ; ; Were you allowed to eat food in the classroom?  
13. To what extent should university courses be geared to the economic needs of society?  
14. The government of your country is going to offer a number of university scholarships. In which academic subjects should these scholarships be offered to benefit your country?  
Cuc 31- Why offer scholarships to excellent students committed to agricultural science and technology?- Vn is an agricultural country.- The production is limited due to the lack of advanced agricultural technology and farming methods.- Vietnamese students would be encouraged and facilitated to acquire advanced agricultural science and technology to apply to the farms and rice fields- 70% population would enjoy increased production, higher quality products, more job opportunities, and higher incomes.- Why offer scholarships to excellent students committed to information technology?- Pivotal role of this field in pushing up their economies.- Vn enjoy comparative advantages in human resource since our students rank high in international and regional computer science and maths contests.- Ignoring computer science in this IT world, vietnam

would risk lagging behind in the decades to come.<sup>15</sup> To what extent should universities function as training grounds for employment?<sup>16</sup> Some universities require students to take classes in many subjects. Other universities require students to specialize in one subject.

Which is better? Use specific reasons and examples to support your answer. TOEFL unavailable.<sup>17</sup> In some countries, teenagers have jobs while they are still students. Do you think this is a good idea? Support your opinion by using specific reasons and details.

TOEFL<sup>24</sup>. Why shouldn't teenagers have jobs while they are still students? - Negative impact on their learning, and eventually on their grades. - Disrupt a teenager's home life. - He's missing out on the fun of being young. He has a whole lifetime in which he'll have to earn a living<sup>18</sup>. Children should never be educated at home by their parents. Do you agree or disagree?<sup>19</sup> Some people believe that university students should be required to attend classes. Others believe that going to classes should be optional for students. Which point of view do you agree with? Use specific reasons and details to explain your answer. TOEFL<sup>14</sup> - Why should attend the class? - Personal experience can help people learn about themselves and the world outside the classroom, but when it comes to learning about academic subjects, students need to be in class. - In class, students receive the benefit of the teacher's knowledge. - Attending classes on any subject teaches more than just facts. It teaches students how to learn, how to absorb information and apply what they've learned to other situations. - Teach them how to work with the other members of the class. - Teach students responsibility and

discipline.20. Some people believe that a college or university education should be available to all students. Others believe that higher education should be available only to good students. Discuss these views. Which view do you agree with? Explain why.

TOEFL80. Why everyone should have the opportunity to attend college? - education is a valuable investment in future career earnings. - People with college degrees make more money and have more opportunities later. - Everyone should have a period to learn about themselves before they begin to work and earn money. - College is a time to meet different people, separate from your parents, and begin to define you as a person. - Anyone should be given a chance to see how far she can go. Why tertiary should be available to only good students? - Higher education is very expensive. - Might be a waste of money to send someone to college who might not be able to handle the course work. - A big investment of time. - A weak student should get a job and earn some money.21. Students at universities often have a choice of places to live. They may choose to live in university dormitories, or they may choose to live in apartments in the community. Compare the advantages of living in university housing with the advantages of living in an apartment in the community. Where would you prefer to live? Give reasons for your preference. TOEFL78 Why live on campus their first two years? - freshmen and sophomores need the stability of campus life - living on campus makes it easier to get oriented to the way things are done. - You get the whole university experience - You interact more with other students. - The older students in the dormitory can

be a big help for the new students- Major task is study.-. Feel more a part of the university community.- More opportunities for becoming involved in university activities and networking with student leaders and university administration.
