This years Newport Folk Festivals lineup (阵容, 节目) features legendary figures(传奇人物) in songwriting, new voices from both hemispheres and dynamic (有活力的) bands who will bring the crowd to their feet (吸引公众前来). Many musicians such as bluegrass master Sam Bush, acoustic blues player John Mooney and Joan Osborne are among the artists in the festival program which begins Friday, August 3 and continues through Sunday, August 5. If youre wondering how to sustain yourself (维持体力, 支持住自己) during a full day of great folk music, heres just a sampling of what youll discover in the festival food tents and crafts market.
