试大January 20th, 2007 Dear Sir or Madam, I ' m a student in the  
university and a loyal reader of this library. I ' m writing to tell some  
of my ideas, which I hope to be helpful for you. I notice that many  
magazines in our library are out of date. It would be beneficial to us  
students if they could be updated in time. And I suggest introducing  
some new journals so as to bring new fresh air to the library.

Furthermore, since we have a huge number of books, it is not easy to

find the right one easily. However, if we can introduce some new searching means, such as implementing new information management system that would be useful. Thank you for taking time reading this letter and I ' m looking forward to seeing some new changes soon. Sincerely Yours, Li Ming 来源 : 考试大

As can be seen from the cartoon, different ideas may come from the same thing. In the picture, while trying to catch the upcoming soccer, the goal-keeper says to himself why it is so big. And, the striker simply thinks in a different way, that is why it is so small?! What makes such a big contrary on the same tournament at the same moment? It is no doubt that they are facing the very same goal and experiencing the very same moment. However, the subjective views result in different impression on the same object. Many of us may still remember the story of a pony crossing the river, which we learned from the textbook in primary school. The squirrel tells him, the river is deep. and the cow tells him, the river is not deep at all. However, in the end, he tells himself a third answer. Therefore, it is not exaggerating to say that most of us are looking into the world with personal ideas. Subjective mental status may result in a really big difference in personal views, just like the goal-keeper and the striker in the drawing. A possible solution might be to face any situation as objectively as possible. If we realize this in an objective way, it would be good for us to deal with what we encounter in life, especially when we are in setbacks or facing difficulties. 100Test 下载频道开通 , 各类考试题目直接下载。 详细请访问 [www.100test.com](http://www.100test.com)
