: www.examda.com Sample: As is depicted by the two pictures, a sharp contrast is shaped between the parents and the son. In the left drawing, the parents are working hard in the field, bending over and sweating heavily. Near them is a basket with very simple food in it. However, in the right drawing, their son is squandering the money on luxurious food and chatting on mobile phone. How pitiful the parents are! They spare no efforts to earn money in order to support their son's study and life in university. They seem to be willing to do everything that is helpful to their beloved son. But, in return, the son spends the money as he likes without knowing how hard his parents work for it and how he should use it to better prepare himself for future career. In my opinion, the reasons for this phenomenon come down to one essential point: failure of both family and school

education. For one thing, quite a lot of Chinese parents spoil their children. All parents' love for children is the same, but different is the way of showing it. Many parents hope too much that their children will have a bright future, which, in their eyes, means key universities, hot majors, good salaries and so on. So they try their best to satisfy the children's demands instead of teaching them to struggle for future with their own hands. For another, centered on exam marks, the school education also fails, to a large extent, to impart moral standards to the children, especially the conception of selfreliance and hard struggle. In a word, to change the phenomenon described by the above pictures, a reform in our current education system is not only necessary but urgent.

点评：第一段的重点是在描述时突出两幅图画之间强烈的反差，所以这里专门加上了第一句话。这一段在用词上也很考究。第二段强烈地表达了自己的感想。首句使用了感叹句。而后先说父母竭尽全力挣钱供孩子读书，后说孩子不知父母辛苦，不懂得如何正确利用父母的血汗钱。第三段给出了该现象的原因家庭和学校教育的失败，而后分为两方面来说，结构极为清晰。最后一段只有一句话，掷地有声要想改变现状，只能改革当前的教育体系。心得：全文一气呵成，读来倍感畅快。从描述图画，到发表评论，到给出原因，再到解决办法，可谓浑然一体。既有全局的，又有细微处语言的运用，该文值得大家细细品味。

Directions 2 Study the following picture carefully and write an essay in which you should: 1. describe the picture, and 2. point out the reasons why more and more foreigners like to live in China. You should write 160~200 words

neatly on ANSWER SHEET 2. 审题：《西湖晨景》该题目非常简洁，在提纲中已给出文章的主题，即越来越多的外国人喜爱在中国生活在描述图画后，给出原因即可。 Sample: What an attractive scene it is! On such a peaceful and beautiful morning by West Lake, a middleaged foreigner is jogging he is enjoying the fresh air, cool breeze and charming scenery. From this picture, we can see clearly that the foreigner enjoys life in this Chinese city, Hangzhou. As a matter of fact, in the past few years, more and more foreigners have chosen to live in China. Some work here, some pursue their study in universities and even some join volunteer activities in China. The reasons why more and more foreigners like to live in China can be listed as follows. To begin with, since China's reform and opening up in 1978, our country has witnessed great progress in nearly all aspects of the society, especially in economy, which provides a far better environment of working, investing and studying for foreigners. Second, economic globalization has made cultural blending possible and necessary. Foreigners have come to know more and more about Chinese culture and become influenced by it, which has formed the important basis of their living in China. Last but not the least, it is obvious that with every effort we have made in environmental protection, our country has become a place more and more suitable and pleasant to live in. In my opinion, the arrival of foreigners brings more chances and opportunities of economic development. So why not seize such chances to embrace our bright future? 点评：第一段描述图画。这一段写得非常精彩，先以感叹句开头，而后描述图画，最后小结这位外国人

喜爱在杭州的生活。第二段前两句总结了外国人来我国的现象。第三句是原因类的模板句，而后分三点来说：第一点是说改革开放后我国经济发展迅速，给外国人提供了很好的、投资和学习环境；第二点是说经济全球化促进文化融合外国人对中国文化了解更多，这构成了他们在中国生活的重要基础；第三点是说环境保护效果显著，居住条件自然改善了。最后一段说外国人的到来带到了更多的经济发展的机会，所以为什么不抓住这些机会来拥抱我们美好的明天呢？心得：要写出好文章，首先要对文章的基本结构非常熟悉，而后再做出一些变化，这些变化通常就是亮点。比如第一段先使用了一个感叹句，立即吸引了读者的注意力。第三段第二句使用了反问句，效果非常强烈。100Test 下载频道开通，各类考试题目直接下载。详细请访问 www.100test.com
