commutation of a criminals sentence differs from a pardon

_____ reduces the terms of punishment rather excuses the criminal completely. (A) in that (B) that it in (C) in that it (D) that in

哪一个是正确的?为什么? Thanks 我觉得是C 首先BD是肯定不对的(看看后面的reduces就知道不能用介词in接reduces)A同样道理，若选A，则从句缺少主语。其实，若从意思上看，直接选C就行，也不用排除法了。100Test 下载频道开通，各类考试题目直接下载。详细请访问 www.100test.com
