Suggested Answer: As the saying goes “ A friend in need is a friend indeed. ” , which is partly true, but a real friend should also be able to share your happy moments without feeling jealous. A good

friendship is one where you accept and forgive faults, understand moods, and dont feel hurt if a friend doesnt feel like seeing you. Of course, honesty is an essential part of any relationship. We should learn to accept our friends for what they are. Anyway, I consider

friendship to be one of the most important things in life. 词汇与解析：
