Topic23：在校学生打工好不好？ Topic 23  
In some countries, teenagers have jobs while they are still students. Do you think this is a good idea? Support your opinion by using specific reasons and details. [ 托福参看范文 ] Topic: 23 I dont think it is a good idea for teenagers to have jobs while they are still students. It can interfere with their studies, it can disrupt their home life, and it takes away pan of their childhood that they can never replace. Education today is very complex and difficult. In order to learn and get good grades, a student must work very hard and concentrate. This means attending classes from early in the morning until late afternoon, then doing research for projects, then going home and doing homework. Its a busy schedule for anyone. For someone trying to hold down a job, its even harder. Students need all their energy for their studies. If theyre working after class at night, theyre going to be tired the next day. They wont be able to concentrate. This will have a negative impact on their learning, and eventually on their grades. Having a job can also disrupt a teenagers home life. Families spend less and less time together. If a teenager has a job to go to after school, he wont be home for dinner. He wont be home after dinner, either, and may not get home until late at night. This means he doesnt have a lot of time to spend with his family. If he doesnt have a car, it can mean changes in his parents schedules,

too. They have to drive him to work and pick him up. The main drawback of a teenager having a job while hes still a student is that hes missing out on the fun of being young. He has a whole lifetime in which hell have to earn a living. This is the last free time hell have. Its the last chance hell have to hang out with friends and just enjoy himself. Soon enough hell have to worry about paying the rent and buying food. Jobs bring money, but money isnt everything. A teenager with a job gives up too much. No one should spend all his time at work, and especially not a teenager. 100Test 下载频道开通, 各类考试题目直接下载。详细请访问 [www.100test.com](http://www.100test.com)
