Topic86：假如时光能倒流，你最希望对回到什么时候，最希望到什么地方去？ Topic86 If you could go back to some time and place in the past, when and where would you go? Why? Use specific reasons and details to support your choice. [托福参看范文之一] Topic: 86 Back to January 19th,2002 Till now, there is only one thing that makes me feel repentant of. My girlfriend died in Japan, and at that time I was doing my TOEFL test. If I could go back to some time and place in the past, I choose to go back to January 19th 2002...I will use a story to show the reasons for choosing this time in the past. My girlfriends was Christina. Her father is Japanese, and her mother is Chinese. That is why she looks as beautiful as an angel. Last winter vacation, I was preparing for the TOEFL test. Of course, I did not pay enough time for her as usual. I only saw her for twice a month. The night before the TOEFL test,she came to my house. I enjoyed her cooking, and everything looked fine as usual. The next morning, she cooked the breakfast for me.Before I left, she kissed me and said " Jackey, good luck. I love you!" I replied: "Thanks, honey! I love you, too." The test goes fine. After the test, my cell phone rang as I turned it on. It is one of my best friends Moon. He said " Jackey, Christina went back to Japan. She tried to kill herself. Now she is in the hospital and she is in danger period. You must arrive to the airport in three minutes. The visa,

passport and the air ticket are in the car. You have to come to Japan right now. We will see you in Japan!" When I saw her, she said, " I think your business is more important than me. I do not think you need me any more! Goodbye, forever." She sleeps forever. If I go back to the time, I will stay with her and spend much more time on her. I even can drop my business. In fact, it is impossible for backing that time! Christina is died. There is not another Christina for me, but will have four times per year for the TOEFL test. The lost would never be back.

Topic: 86 If I were afforded the opportunity to go back to a specific time and place in the past, I would venture back to ancient Greece. During the 5th century B.C., the Greeks were in the process of developing and reforming a wide range of cultural, social, and scientific pursuits which still have a significant impact on the world today. In the arts, Greece excelled in many fields, particularly dramatic literature. The works of Sophocles, Euripides and Aristophanes have had a tremendous influence not only on western literature, but also western thought in general. The works of these playwrights are still performed on stages around the world today. However, it would be a rare and exciting opportunity to see these plays performed for the first time. The ancient Greeks also excelled in the social sciences. Perhaps their greatest contribution in this area came in the form of democracy. The Greek words "Demo" and "Cracy" mean "People" and "Rule" respectively. Today, many of the worlds great nations have adopted, and to a certain extent, modified the ancient Greek system. Yet, its birth and early maturation period all took place in ancient Greece. Academic subjects such as

Philosophy, Astronomy, Physics and Biology also received a great deal of attention in the ancient Greek world. The philosophical writings of Heraclitus, Plato, and Aristotle have had a profound influence on western scholarship for well over two thousand years. The Mathematical theories of Pythagoras and Euclid, combined with theories from other great ancient civilizations, provided a foundation upon which later mathematicians such as Newton and Einstein based their work. The world of the Ancient Greeks would most certainly be an exciting and stimulating place to go back to. Politics, Drama, Physics, and a number of other subjects were still in their infancy, and all were being fiercely debated and examined. It would undoubtedly be an enriching experience to observe and take part in such a fascinating civilization. 100Test 下载频道开通，各类考试题目直接下载。详细请访问 www.100test.com
