Topic: 103 Although honesty, intelligence, and a sense of humor are all worthwhile characteristics, I feel the most important one in life to have is sensitivity. A sensitive person is aware of him/herself and the way their actions affect others. A sensitive person knows the place of honesty, intelligence, and a sense of humor. Honesty is not always the best policy. There is such a thing as a white lie. You dont want to insult someone by saying that their new dress doesnt fit properly or that you wouldnt live in their new house if they paid you. You must be sensitive to when it is necessary to tell the truth and when it is better to tell a white lie. Intelligence is a wonderful thing to have, but not all intelligent people use their intelligence sensitively. You dont want to show off and make others

feel stupid. You must be sensitive to the reactions of the people around you. It might be appropriate for you to admit that you have the right answer, but in some cases, you might have to say, "I think this is the answer, but we might want to check it." A sensitive person would not make someone else look dumb. A sense of humor is always valued. Different people, however, laugh at different things. You don't want to make someone feel uncomfortable by laughing at his/her mistakes. A sensitive person would understand whether a person could be teased or whether a person would appreciate a certain joke. A sensitive person would make everyone feel comfortable. A sensitive person understands that people are different and that the values of honesty, intelligence and humor can be applied differently. 100Test 下载频道开通，各类考试题目直接下载。详细请访问 www.100test.com
