Topic: 102I agree that school should ask students evaluate their teachers. There are three reasons:The first, the education is a activity that communicate each other. The information that students evaluate is given to their teacher. The teacher can improve their education skill by this information. If there are no evaluated information by student, the education activity become unilateral activity. The teacher spread their information to students, but the students informations reflects back to teacher are very few. The evaluation can help teacher improve the their skill from time to time. 100Test 下载频道开通，各类考试题目直接下载。详细请访问 www.100test.com
