I dont think its a very good idea to borrow money from a friend. It can cause resentment and awkwardness in the relationship. How do you approach your friend without making him feel he has to do this for you? Its unlikely hell feel as if he can turn you down. Can he turn you down without insulting you? Probably not. How do you know whether your friend can afford to lend you the money? He may be embarrassed to admit hes a little short of funds himself. Or he might not want to disappoint you. So he lends you the money and then he needs money, too. Theres also the question of when youll pay back the loan. Its awkward for your friend to ask for a deadline for repayment. Besides, if youre short of funds, you may not be able to predict when youll pay him back. What about interest on the loan? If its a small amount of money, this doesnt matter. However, if large funds are involved, and you wont be paying it back for a while, should you offer to pay interest? Should your friend ask you to pay

interest? All these issues can result in hurt feelings and can harm the friendship. Its possible, of course, that if you borrow money from a friend and pay it back in a timely fashion, this will create a special bond between the two of you. Youll know that you can count on your friend when you need help. Hell know youre trustworthy. However, more often than not, money issues between friends are an embarrassment. If you need money, its better to go to a bank for a loan. 100Test 下载频道开通，各类考试题目直接下载。详细请访问 [www.100test.com](http://www.100test.com)
