Topic: 177 Between going on vacation and buying a car, I would like my friend to buy a car. Below is why. The first and most important reason is that a car can bring him convenience. Undoubtedly, nowadays people rely on cars for transportation more than ever before. For example, when he drives a car to go shopping, he may feel more convenient and can pick up more groceries than before because he can put groceries in the car trunk instead of carrying them by hands. Furthermore, when he wants to pick somebody up, or travel to a scenic spot, a car will make him feel convenient. Another great reason why I encourage my friend to buy a car is that my friend will not spend much time on commuting anymore. Everyday we waste too much time on waiting for a bus or riding a bicycle to work. We all experienced the frustration of taking a bus. After having their own cars, such the

problems will disappear automatically. Of course, if my friend decides to use his money to go on a vacation, I think that there are some advantages also. For example a vacation may increase his personal experience and knowledge, and may even reduce many troubles that are related to a car. But if all the factors are contemplated, I think that the advantages of buying the car will carry more weight than those of going on vacation. From what has been discussed above, I may safely draw the conclusion that buying a car will be correct choice for my friend.

Trying to decide how to use your money is always tough. Should you use your money to buy a car or go on a vacation? Both afford lasting pleasure, but of a very different kind. From a vacation you get the pleasure of doing wonderful things and of totally relaxing and enjoying yourself. The memories you bring home with you can give you that same pleasure again every time you think of them. A car also gives you pleasure, every time you drive it. There's the pleasure of not having to depend on public transportation. You can go places off the beaten track, where public transportation doesn't go. There is also the pleasure of being independent. You are able to go anywhere your car can take you, without depending on others. A vacation gives you the opportunity to learn new things and meet new and interesting people. However, it's only for a short period of time. A car gives you the same opportunities on a smaller level, but on a more regular basis. With a car, you can go someplace new every weekend. You can also join a car pool. That way you can share travel expenses with the new people you meet. Some people might say that spending your

money on a vacation instead of on a car is being impractical. But nothing is as satisfying as a really good vacation. Its mentally and physically healthy. It gives you a chance to get away from all that is familiar to you and see the world from a new perspective. It lets you do nothing but play, the way you did when you were a child. Being able to play, even for a short period of time, is absolutely necessary for everyones mental health. I would choose the vacation, because we all deserve to indulge ourselves sometimes. 100Test 下载频道开通，各类考试题目直接下载。详细请访问 [www.100test.com](http://www.100test.com)
