Luckily,he didnt know my phone number.otherwise,he would bother me.Incredibly,Helena got straight A in her school report this semester.Interestingly,cats and dogs can hardly get along well in a house.修饰全句常用的副词有：obviously undoubtedlyapparently fortunatelyclearly unfortunatelyincredibly luckilyunluckily surprisinglyfrighteningly这些副词大多数表示说话人对全句的看法，在意思上相等与“ It is ...形容词 that ... ”。
