题：City Life and Suburban Life 提纲：1）最近几年越来越多的人迁往近郊居住 2）城市生活和近郊生活各有特点 3）比较起来，我喜欢的是.....

In recent years more and more homes are being pushed outwards as the activities of business , government and pleasure tend to be concentrated in the centers of the cities. Although most people are reluctant to move to the outskirts of the cities , I feel like living in the suburbs. It is true that the city can provide much convenience and entertainment , the very reason why people cant bear to part with city life. But the cost for the privilege of living in the city is also high. Whats more , there is more gas and noise pollution in the city , which is full of petrol fumes and toxic gases , torn by the roar of buses and taxies , and thronged ceaselessly by great crowds. In contrast , living near the countryside one can enjoy the clean atmosphere , the closeness to nature and the quiet , peaceful surroundings the essentials of a healthy life. Although living in the suburbs one may suffer a little discomfort brought about by the necessity of traveling miles to work every day , it means nearly nothing when thinking of the high cost and heavily polluted environment of the city. The new suburban life is fast

becoming a predominant pattern of living in most cities ; and with the improvement of traffic and the perfection of services , it will prove to hold great superiority over city life. 谋篇布局 (2) - 根据话题加引段 , 于段尾提出自己的观点 (也就是提示中的第三句要求内容) - 将提示的第一句和第二句写成文章的中心段落 - 根据文章的叙述重点 , 总结全文 , 提出方法等。例证标题 : My View on College Students Part-time Jobs 提纲 : 1) 有人认为大学生做兼职工作很有好处 ; 2) 然而 , 有人认为大学生做兼职工作弊多利少 ; 3) 我的看法 Nowadays , an increasing number of college students are doing part-time jobs. People hold different opinions on that. Some people think that there are many advantages for college students to have part-time jobs. Firstly , part-time jobs offer them opportunities to apply what they have learned in school and demonstrate their abilities. Secondly , it enables them to be more independent of their family and builds up their self-confidence. Thirdly , part-time experiences may be of great help to their future careers. Finally , part-time jobs can broaden their college lives and help them know more of themselves and society. However , some other people hold that doing part-time jobs has more disadvantages. The main job of college students is to study , not to work. If they have part-time jobs , they may have to reduce their time for sleep , rest , study and activities. Working several hours a day consumes a lot of time and energy and may affect their studies. As a result , they may find it hard to adjust to what the college expects of them as well as their employers expect , and finally , they may fall behind or fail in their studies. In my

opinion , students can choose to take up a part-time job according to their own situation. The most important thing for them is to keep a good balance between part-time jobs and his study. 谋篇布局 (3) - 将提示的第一句和第二句合为第一段 , 于段尾提出自己的观点 ; - 说明自己的理由 ; - 结论段总结全文 100Test 下载频道开通 , 各类考试题目直接下载。详细请访问 www.100test.com
