A recent study, published in last week ' s Journal of the American Medical Association, offers a picture of how risky it is to get a lift from a teenage driver. Robert Foss, a scientist at the University of North Carolina Highway Safety Research Center, says the higher death rates for teenage drivers have less to do with “ really stupid behavior ” than with just a lack of driving experience. RTCA, an organization which advises the aviation (航空) industry, has recommended that all airlines ban (禁止) such devices from being used during "critical" stages of flight, particularly take-off and landing. The fact that ordinary citizens are now starting to think seriously about the nation ' s moral climate, says this ethics (伦理学) professor at the University of Chicago, is reason to hope that new ideas will come forward to improve it. 2. 从句连环套（详见翻译部分）注意快刀斩乱麻，下刀的地方是从句的分界线 The basic issue, ” he says, “ is that adults who are responsible for issuing licenses fail to recognize how complex and

skilled a task driving is. ” 100Test 下载频道开通，各类考试题目
