Patrick Chen ; ; ; Secondly, as both a native speaker of English and an IELTS lecturer, it is my hope to be able to aid students in attaining good scores that truly reflect their English abilities. I will focus on the Speaking section because the greatest amount of bewilderment seems to lie here. ; This is not true. ; Rather, you are being tested for English usage. ; It is not helpful to memorize and regurgitate lengthy speeches. ; Imagine yourself in England. ; First, you could reply, "What do you mean?" Or you could continue walking, raise a hand to wave at the person while wearing a comical smile and saying, "Good morning and have a nice day." Honestly speaking, the IELTS is really that simple. ; Students seem to think that they have to disguise their deficiencies in English. ; We know that you are not native speakers. ; But we don't care. ; And equally important, that you demonstrate you know what to do in situations where you do not. ; With that, I wish all students who wish to take the IELTS exam the very best of luck. 100Test 下载频道开通，各类考试题目直接下载。详细请访问 www.100test.com
