It gives me great pleasure to welcome you to our university. Thank you very much for visiting our university in spite of your busy schedules. Huatsing University, under the direct leadership of the China State Ministry of Education, boasts a tradition of academic excellence. Founded in 1943, Huatsing University has grown to a comprehensive university combining science, engineering, law and liberal arts. HU has an enrollment of 9527 degree candidates and 2046 members at faculty. HU, with the outstanding scholarly achievement, eclipses any other universities and colleges in China. HU students display their talents in a wide array of extracurricular activities and win a range of national awards. Thats all. Thank you.
