【例如】 Had I left a little earlier, I would have caught the train.
Were this to happen, it would cause a great deal of damage. Should it rain tomorrow, we would cancel the trip.____right now, she would get there on Sunday. (CET-4 1996,6) A) Would she leave B) If she leaves C) Were she to leave D) If she had left 根据主从句的时态搭配，可以判断是对将来的虚拟，条件从句省略了if，助动词提前，故答案为C。 100Test 下载频道开通，各类考试题目直接下载。详细请访问 www.100test.com
