Direction: 1.许多人喜欢在除夕夜观看春节晚会 2.但是有些人提出取消春节晚会 3.我的看法. 参考范文:

The approach of the Chinese Lunar New Year poses a national issue concerning the necessity of holding the CCTV Spring Festival Gala. Its established status is being challenged by a growing number of people, especially by younger generations. It is increasingly difficult to cater for all tastes. Some individuals deem that it should be canceled or replaced by other programs. These young people focus their attention on other forms of celebration instead of immersing themselves in TV. Despite that, the majority of mid-aged people and senior citizens uphold the importance of the traditional performance. The most striking feature of this gala is its traditionally close link with ordinary peoples lives. Most of people view this gala as an annual staple on the traditional Chinese Spring Festival Eve. They all have a restless night and glue their eyes on the television. I am not supportive of the view that the grand gala should be abandoned. Undoubtedly, it plays a vital role in the celebration of Chinese New Year. To increase its appeal and meet young adults need, the upcoming performance should invite some big names including super stars from Honking and Taiwan. We are all eagerly anticipating this unforgettable evening show. 100Test 下载频道开通，各类考试题目直接下载。详细请访问 www.100test.com
