(注意不是说这些动词的后面, 只能用名词作宾语补足语) (1) (把...看成...) regard, see, recognize (2) (把...当成...) treat, take (3) (把...认为是...) consider, look up, refer to, accept, acknowledge (4) (把...描述为...) describe, depict, represent 另外, 还有: declare, denounce, employ, use, show, organize, express 等, 例如: to describe sb as a teacher to describe sb as being very clever to treat them as honoured guests to denounce sb as a traitor to see sb as a basically kind person to acknowledged sb as an authority 100Test 下载频道开通，各类考试题目直接下载。详细请访问 www.100test.com
