(1) some think that wealth means everything. (2) Actually, health is more important than wealth. (3) Keep healthy first if you want to become wealthy. [ 参考译文 ] So far as the topic Health and Wealth is concerned, different people have different opinions about it. Some think that wealth means everything. To them, wealth or having a lot of money can help them to do what they want to do. With a lot of money, they can buy the beautiful house, expensive car, beautiful clothes, and so on. They even have the idea that they can buy happiness which they like. On the other hand, some other people don't agree with those people mentioned above. They believe that Healthy is more important than wealth. First, you can enjoy a happier life with healthy body than those wealthy people with poor health. Second, a healthy body is the foundation for a successful career. Third, a healthy body is also necessary for accumulating wealth. In a word, keeping health first if you want become wealthy. It is well-known that a person can make a large fortune if he has the right opportunities during his life. But if the person suffers from a terrible illness, then no matter how much money he may earn, he will still lead a miserable life. Therefore, health is much more important than wealth. 100Test 下载频道开通，各类考试题目直接下载。详细请访问 [www.100test.com](http://www.100test.com)
