Away from Net-bar Campaign It has been reported that a middle school in Beijing City has recently launched a campaign named “ Away from Net-bar ”。 More than a thousand students have signed for their solemn promise that they will not spend a single minute in the net-bars. With the nearing of the summer vacation, this campaign is especially meaningful for the healthy development of the minors. The internet has brought people great convenience in getting information, entertainment and contact with others, and it has also benefited some businessmen, especially the owner of net-bars. While it is true that most net-bars are running legally, it is also true that some are offering unhealthy programs that involve violence and sex content. Since most middle school students are prone to be influenced and they can hardly tell which bars are doing well and which ones are not, it is only advisable that they stay away from all. Besides , staying away from net-bars also does good to students physical health. By passively sitting too long in front of the computer screen, both their eyesight and physique suffer. Obviously , the Away from Net-bars Campaign is an activity that is worth advocating and it merits other schools reference. 100Test 下载频道开通，各类考试题目直接下载。详细请访问 www.100test.com
