Now many women are going into professions , such as medicine , law and engineering. They comprise a large part of the workers in businesses and factories. In addition , they are working up to important positions which used to be held mainly by men. There are even some businesses which are run completely by women. Clearly , women are making outstanding contributions to the

progress of modern society. There are , However , still some people who assert that men are superior to women in many ways. First , many jobs men do can hardly be done by women , who are physically not strong enough. Second , most of the world-famous scientists and statesmen are found to be males. Finally , the whole society seems to have always been dominated by men only. In their opinion , men should enjoy more rights than women do. Personally , Im firmly standing on the side of those woman right defenders. Since both men and women are equally important in human activities , they should be on an equal footing. (173 words)
