part, you are allowed 30 minutes to write a composition entitled Asking for Leave of Absence. You should write at least 120 words according to the following guidelines: Your name and role : Sam , a sophomore in English Class Two Your Foreign Teacher ' s name : Ms.Riddle Incident: you cannot come to her class for some reason Task: write her a note , asking for leave of absence Asking for Leave of Absence To: Ms.Riddle , my dear Oral English teacher From: Sam , a respectful sophomore student of yours in Oral English Class Two Date : January 8,2005 Subject: Asking for Leave of Absence Dear Ms.Riddle, I would like to know if I could ask for a casual leave of absence from your Oral English class this Wednesday morning. Yesterday evening I got a phone call from my cousin , who is now running a small firm in suburbs of this city . He needs an interpreter for two days but cannot find the most reliable person, so he wants me to have a try. Personally , I regard this as a golden opportunity to put what I have learned in your class into practice, but I need your permission of absence . If you think I may go and help him get over the difficulty, I am confident that I ' ll do a good job and both of us will grateful. Earnestly yours, Sam 二 Direction: For this part, you are allowed 30 minutes to write a composition entitled On Power Failure. You should write at least 120 words according to the following guidelines(given in Chinese): 1 . 很多城市缺电现象严

重 2 . 分析原因 3 . 提出建议 On Power Failure Recently, every morning when I wake up, I find my air-conditioner automatically turned off . I didn ' t understand why at first , but soon I learned that there was a great shortage of electricity supply in our city C my air-conditioner turned off because of a power failure midnight. With the rapidly developing industry and the ever-increasing population, demand for electricity supply is soaring. Besides, summers in recent years are much hotter than before , so most working places and households are air-conditioned , which consumes additional electricity. Face with such a hard nut , we have to find ways to crack it . Above all , in western areas China , there is surplus of electricity supply. So , cities that are thirsty for electricity may ask for remote help. Then ,when we have electricity , we should remember to save it . Set your air-conditioners at 27C and you won ' t feel less comfortable than when they are at 26C . In fact , some factories already shift their working hours to avoid the peak time of electricity consuming. My parents don ' t work from Monday to Friday as before C they work form Saturday to Wednesday and have the following two days off instead. This is also a way out , isn ' t it?
