改造部分句子，使用灵活句式。 Fake Commodities In recent years, a lot of fake commodities have appeared in the market. These fake commodities have done great harm to the consumers and the society. Since the policy of reform was adopted, China's economic have improved. A lot of people getting richer, and their living conditions are getting better. But still some of them are not satisfied. They dream of getting rich overnight and living a heavenly life, which, of course, is impossible to achieve by fair means. So they risk breaking the law to produce the market fake commodities. Once these fake commodities enter the market, they will do immeasurable harm to the society. The direct victims are the consumers. As the quality of the fake commodities is always very poor, the consumers may suffer great losses. Certain fake commodities, such as food and medicine, will cause irreparable harm to the health and well-being of the consumers. Fake commodities also cut into the profits of the brand-name-owners. Since the fake ones are cheaper, people tend to be reluctant to buy the genuine ones. [SMS] In recent years, mobile phone play a important role in peoples life. Besides calling other people, the short message become the chief way of connect with others. Short message be used to delivery the massage and affection. It is very convenient and stupid. When you process the short message, you will not feel any uncomfortable, like strain, in your heart. And

this is a good way of economical money. But there are some problems to use short message. In instance, some advertisement always bore you when you sleep or in class or any other time. Furthermore, you may receive some strange message that you dont know who send it. As far as I am concerned, short message is a very useful way to connect with others. You can send a short message if you dont want or dont know how to say. Such as apology why not we use this way to turn our life harmony?

### The Use of Internet on Campus Nowadays

internet has play an important role in peoples life. We can use the internet to do lots of things. Such as find message, send or receive E-mail, play games and so on. It is accelerate colorful of our life. Although internet have so many usages. A disccusion start that should the internet be used in freedom. Different people have different words. Some people said that internet should not open for student freedom. On one hand, they havent adequate tine for study if they play game for a long time. On the other hand, it is harmful for vision and healthy if student seat in front of the computer. Other people dont agree with them for the reason that use the computer freedom is students right. As far as I am concerned, internet have more advantage than shortage. Why not we use its advantage to turn our life convenient? I think, it is better to open the internet at given time.
