试作文范文及点评：The Celebration of Western Festivals 1、现在

在国内不少人喜欢过西方的一些节日 2、产生这种现象的原因

3、这种现象可能带来的影响 Western festivals gain

ever-increasing popularity in China. A growing number of people in

China are immersed in the thrilling atmosphere of the upcoming

Christmas. In comparison with the Spring Festival, the equally high

status is given to Christmas by some of them. There are a variety of

factors contributing to this craze (trend). First, younger age groups

are exposed to western culture and lifestyles through learning

English. And festivals are regarded as the highlight of western culture.

For example, Valentines Day provides a vehicle for young adults to

show their love. Second, the advancement of economy enables

Chinese people to possess increased purchasing power. They are

heavily targeted by businessmen, who view foreign festivals as golden

opportunities to make money. So they desperately try to boost the

atmosphere of foreign festivals. The necessity of celebrating these

foreign festivals is widely questioned. People involved are to blame

for their loose traditional values. Our home-grown festivals play

crucial roles in Chinese traditional culture. However, their foreign

counterparts are exerting strong influence on peoples values and

thoughts. There is no doubt that we should give our priority to

Chinese traditional festivals. 点评：本次作文的类型属于现象--

解释型文体。无论在体裁还是题材上都在大家的意料之中。难度并不是很大，从命题角度来说，是比较成功的，基本能达到考查学生写作能力的要求。来源：www.examda.com 从体裁上来看，属于解释一个现象的体裁。根据题目要求，考生分别需要写出现象描述、原因剖析以及影响分析等三个段落。文章的结构非常清晰，非常明确。这对于一般考生来说，并不是十分困难。能否取得高分的关键就是看考生的语言表达是否准确，以及作文中是否出现闪光点。从题材上来看，本次作文的话题是谈谈对西方节日的看法。和以往的六级考试作文的题材一样，依旧侧重于社会话题，而且是考生耳熟能详的话题，这就意味着当考生拿到这个作文题目的时候有话可说，有话可写。所以对于以后备考六级的考生来说，社会话题依然是需要重点关注和准备的。100Test 下载频道开通，各类考试题目直接下载。详细请访问 www.100test.com
