Rose: The book is either by Deerson or else by Jones. Im not sure which.

However, Deersons books are generally published by Quince Press, as are Jones. Therefore, the book is probably published by

Quince. The pattern of reasoning in which one of the following is

most similar to that in Roses argument?(A) That tree is either a beech or else an elm, and Mercedes can identify most trees, so she will

probably be able to tell which it is.(B) The culprits escaped either by

car or else on foot, but in either case they must have opened Isidores creaking gate. Therefore Isidore probably heard them.(C) Judging by

what he said in the interview, George is either a liar or incredibly naive. Both these attributes are unsuitable in a customs inspector.

Therefore George should not be hired as a customs inspector.(D)

Margarethe the Second was born either in Luppingshavn or else in

Kindelberg. Most of the people in each city then were of Mondarian descent, so Margarethe probably had Mondarian ancestors.(E)

Tomas will probably participate in community service, since he will attend either Dunkeld College or Steventon University and at both

most students currently enrolled say that they participate in some

form of community service. 100Test 下载频道开通，各类考试题目直接下载。详细请访问 www.100test.com
