Directions: Suppose that you ordered a refrigerator but later found a worrying problem. Write a letter of complaint to describe the matter and require settlement, Do not sign your own name at the end of your letter, using “ Li Ming ” instead. [ 参考范文 ] 就冰箱的问题写一封投诉信 Dear Sir, I am happy that the refrigerator we ordered last week has arrived on time. But it is a great pity that we find there is something wrong with the refrigeration facilities. After we used it for several days. we found that food stored in the refrigerating compartment turned bad quickly. When we finally decided to take the temperature in it, we were surprised to find it was around 15 , far from the standard temperture range from 0 to 9 . This problem has affected our normal life. Would you please let me know whether or not you can send a repairman as soon as possible? I hope that my problem will get your kind consideration. Yours faithfully, Li Ming

二、公共英语PETS三级B节作文预测 [ 题目要求 ] 汽车给人们生活带来的好处，但同时也车产生很多问题，对此你是如何看待汽车的作用。 [ 参考范文 ] Since their coming into being, automobiles have been significantly contributing to human industries, agricultures, and even the daily lives. It is automobiles that have been shaping and reflecting the ways humans work and think. They accelerate the sustainable economic development. They boost

industries. They also catalyze scientific research. But nobody can deny that automobiles have also exerted some unfavorable impacts on social and economic fabric. First of all, they have seriously polluted the environment in which humans survive. Secondly, traffic jam wastes lots of time. Finally, they also waste the money, especially in metropolis. My opinion is that in the foreseeable future, scientists will be able to solve all problems. Exactly, human will eventually be able to minimize the harmful effects of automobiles, whereas their advantages can be maximized.
