With a team of colleagues at Tokyo National University , he set about measuring brain volumes of a thousand people of different ages and varying occupations. 7. Computer technology enabled the researchers to obtain precise measurements of the volume of the front and side sections of the brain , which relate to intellect (智能) and emotion , and determine the

human character. 8. Contraction of front and side parts as cells die off was observed in some subjects in their thirties , but it was still not evident in some sixty and seventy-year-olds. 9. The findings show in general terms that contraction of the brain begins sooner in people in the country than in the towns. 10. White collar workers doing routine work in government offices are , however , as likely to have shrinking brains as the farm worker , bus driver and shop assistant. 11. We know that you have a high opinion of the kind of learning taught in your colleges , and that the costs of living of our young men , while with you , would be very expensive to you. 12. But you must know that different nations have different ways of looking at things , and you will therefore not be offended if our ideas of this kind of education happen not to be the same as yours. 13. We are , however , not the less obliged by your kind offer , though we refuse to accept it ; and , to show our grateful sense of it , if the gentlemen of Virginia will send us a dozen of their sons , we will take care of their education , teach them in all we know , and make men of them. 14. In what now seems like the prehistoric times of computer history , the earths postwar era , there was quite a wide-spread concern that computers would take over the world from man one day. 15. Already today , less than forty years later , as computers are relieving us of more and more of the routine tasks in business and in our personal lives. We are faced with a less dramatic but also less foreseen problem. 16. Obviously , there would be no point in investing in a computer if you had to check all its answers , but people should also rely on their own internal

computers and check the machine when they have the feeling that something has gone wrong. 100Test 下载频道开通，各类考试题目直接下载。详细请访问 www.100test.com
