听力文字及答案

1. The view is spectacular. Could you take a picture of me with the mountains in the background? I'm afraid I just ran out of film. What does the woman mean? (C)

2. Excuse me, were you ready to order now? I'll be with you in just a minute. What does the man mean? (B)

3. I think I forgot my umbrella. Did you notice that it was raining outside? Yeah. It is. And I just realize that I left my car window open. What will the man probably do next? (C)

4. How does your daughter like her new school? Fine. She seems to have made new friends in no time. What can be inferred about the man's daughter? (C)

5. There is an article here in this magazine you might find interesting. It's about buying running shoes. If it's not chemistry and it's not on the final exam, I can't read it now. What is the man probably doing? (B)

6. You are washing your car even on vacation. It makes me feel guilty. You shouldn't. It's just that I have nothing better to do at the moment. What does the woman imply? (C)

7. My doctor told me I needed to go for some expensive treatment for my injured knee. Are you sure? Maybe you need a second opinion. What does the woman suggest the man do? (C)

8. Hello, could you fit me in for an appointment today? I need a stylist who's good at cutting curly hair. Judy is good at that. She is the owner. How about the noon? What will the woman probably do? (B)

9. There is nothing I like more than a good mystery novel when I've got some spare time. I like to read too. But I prefer non-fiction: history, social commentary and stuff like that. What does the man imply? (C)

10. I'm no expert. But that noise in your refrigerator doesn't sound good. Maybe you should call and

have it checked out. You are right. And I suppose I've put it off long enough. What will the woman probably do? (A) 11. What's up with Donald? I've never seen him so happy. His supervisor gave performance evaluations this morning. What can be inferred about Donald? (A) 12. It's not going to snow again tomorrow, is it? It was supposed to be warm all week. Well, if you go by the forecast that I heard, you shouldn't put your coat and hat away quite yet. What does the woman imply? (B) 13. I don't know how it happened. But I got two different appointments at lunch tomorrow. I'm supposed to meet both David and Jim. Why don't you make one of them a breakfast meeting? What does the woman suggest the man do?
