SALESMAN: Can I help you? JOHN: Yes, I would like to buy a Walkman. Can you tell me about the models you have? SALESMAN: Well, we have a lot of models here. Did you want to listen to CD ' s or cassettes or the radio? JOHN: Mostly cassette tapes. SALESMAN: Alright. There are several models you may want to look at. This Kregg portable cassette player is very good. JOHN: Kregg? I ' ve never heard of that company. SALESMAN: It ' s a German company. This unit has auto-reverse, recording capability, and an AM/FM radio band. It also has a built-in microphone. JOHN: I suppose I don ' t want that one then. I don ' t like auto-reverse. It breaks too easily. SALESMAN: Really? Have you had an auto-reverse break before? JOHN: Yes, twice now. I think it ' s too high-tech, and so it ' s the first part that breaks. SALESMAN: Hmm. You know, the problem might be dust. Did you clean the unit often? JOHN: Well. No, I didn ' t clean it. But still, I only had the last one two months, and it broke. I don ' t trust auto-reverse. SALESMAN: Alright. Well. We have many units without auto-reverse. Here is a good unit. Very reliable. It has an AM/FM band, built-in microphone, recording capability, and no auto-reverse. JOHN: How much is it? SALESMAN: This one sells for \$39.99. JOHN: Can I test it out? SALESMAN: Of course. JOHN: It sounds great. I ' ll take it. SALESMAN: Fine. I think you ' ll be happy with it. It ' s a very

good unit. Very reliable. I ' ll go get you a new one in a box. I will be back in just a moment. JOHN: Thanks. 售货员：有什么我能帮忙的？ 约翰：是的，我想要买一台随身听。你能告诉我你有什么不一样不同的款式吗？ 售货员：嗯，我们这里有很多款式。你想要听光盘或是录音带或是收音机？ 约翰：多数是录音带。 售货员：好的。这里有一些款式你可以看一看。这个克瑞格携带式录音机不错。 约翰：克瑞格？我从来不曾听过那家公司。 售货员：这是一家德国公司。这一台有自动回带，录音功能，和接收AM/FM 波段的收音机。它还有内置的麦克风。 约翰：我认为我不会要那台。我不喜欢自动回带装置。它太容易坏掉。 售货员：真的吗？你的自动回带装置有坏过吗？ 约翰：是的，两次了。我想是太高科技，所以就很容易坏。 售货员：嗯。你知道，这问题也许是有灰尘。你常清理随身听吗？ 约翰：嗯。没有，我没有清理它。但是，上一次我只用了两个月，它就坏了。我不相信自动回带装置。 售货员：好吧。嗯。我们有许多品牌是没有自动回带装置的。这台很不错，可信度很高。这台有接收 AM/FM波段的之收音机，内置的麦克风，录音功能，和没有自动回带装置。 约翰：多少钱？ 售货员：这一台价格是三十九美元九毛九。 约翰：我可以试一下吗？ 售货员：当然。 约翰：音质不错，我要了。 售货员：好。我想你一定会满意的。这台很不错。可信度很高。我拿一台新的给你，我很快就回来。 约翰：谢谢你。
