Youd like to know something about the packing of the drugs. is that right? Please make an offer indicating the packing. Your opinions on packing will be passed on to our manufacturers. It is necessary to improve the packaging. Weve informed the manufacturer to have them packed as per your instruction. Packing has a close bearing on sales. Packing also effects the reputation of our products. A packing that catches the eye will help us push the sales. Buyers always pay great attention to packing. Im sure the new packing will give your clients satisfaction. Different articles require different packing. Generally speaking, buyers bear the charges of packing. Packing charge is about 3% of the total cost of the goods. Normally, packing charge is included in the contract price. The crux of packing lies in protecting the goods from moisture. The machines must be well protected against dampness, moisture, rust and shock. We have no objection to the stipulations about the packing and shipping mark. We can not afford time to change the packing because the ship will sail after two days.
