Its only five minutes into the game and they are already pushing and shoving.L: 是啊,他们已经开始推推攘攘,真的打起来了。人们都说冰 球比赛有时会很粗暴,但是才开始五分钟就打架,这可是不 多见。M: Yeah, they really need to keep cool out there.L: Michael, 这是冰球,在冰上打球,当时是冷的咯,你在说什么呀?M: Li Hua, thats not what I meant. Keep cool means to calm down 。Keep, means to hold and cool, meaning cold.L:噢, keep cool 就是要冷静一点,你是说这些球员不要火气那么大,需要保 持冷静。对,他们要是老打架,最好的球员就会被禁止打球 的。M: Yeah. Another example, remember last week when you got into an argument with the professor over your mid-term grade?L: 我才不会忘记上星期的事呐。那个教授给我期中考试打那么 低的分数,我当然要跟他争嘛。M: Right now Li Hua, you need

to keep cool.L:是,一说起这件事,我就会生气。得了,得了 ,不谈这个了吧!M: I cant believe how poorly they are playing.L : 你说他们打得不好呀?说实话,我根本看不懂。我只知道 当地的球队输了三分,这就输了很多啦!M: Yeah, they have really managed to screw up this game.L: "Screw up",我不懂, 这是什么意思?M: "Screw up" means not to play well. The home team is certainly messing up.L:噢, "Screw up"就是打得不好 M: "Screw up," it means to mess up.L:是不是只能说打球时, 或参加运动比赛时犯了错误?M: No, it can be used to describe a lot of things. For example, I screw up on tests all the time.L:噢,你 考试老考糟也能用screw up来表示呀!这么说, "screw up" 可以用的范围很广。要是说一个人工作没有做好呢?M: He screwed up at work.L:你老是和别人的关系搞不好,也能说 是screw up吧? M: Yes, thats why I dont date anymore. Because I screw up all the time.L:原来是因为老跟别人搞不好关系,所以 你就不交女朋友了。Michael,你也别跟自己太过不去了。M: I do screw up a lot. I make mistakes all the time.L:我们都犯错误 的,谁能不犯错误啊!M: Look, they are playing like that! What is wrong with these players.L:嗨,这些球员真的很糟糕,你看 ,他们已经输了四分啦!M: I hate this! They cant manage not to screw up tonight.L: Michael, 尽管他们screw up, 我们还是 要keep cool! 也许还有希望扭转局势。 李华今天从Michael那儿 学到了两个常用语,一个是:keep cool,意思是:冷静一些 ,别太激动;另一个常用语是:screw up,意思是把事情弄糟 100Test 下载频道开通, 各类考试题目直接下载。详细请 访问 www.100test.com
