1_E8_AF_BE_EF_BC_9A_c94_129809.htm 我们要请大家

听Michael和李华的对话，他们俩都是纽约大学的学生

。Michael是美国人，但是他听得懂中文。他和李华在这个新
学期里不约而同地都选了摄影课。现在是清早7:50，俩人在课
堂门口碰到了。请注意他们讲话中用的两个常用语：bummed

和chill。 M: Hey, Li Hua, what are you doing here? You taking this

class too? L：对，我选了摄影课。可是这节课那么早，我最讨

厌起大早。 M: Yeah, Im really bummed that I have to get up so

early! Im also bummed out that Dr. Johnson is teaching this class. Ive

heard shes really tough. L：嗨，Michael，什么是bummed？我记

得Bum不是指无家可归的人吗？ M: Yeah, that is true. But here I

used bummed and bummed out. They both mean to be unhappy or

upset. L：噢，你看，就这一个字就把我弄糊涂了。原来

是bummed，或者是bummed out，意思是不高兴，感到烦恼。

嗨，Michael，你刚才说什么来着？ M: Im really bummed that I

have to get up so early! Im also bummed out that Professor Johnson

is teaching this class. L：现在我清楚了，你是说要那么早起床实

在叫你不高兴，Johnson博士教这门课也让你不高兴，因为她

很严格。嗨，要是女同学拒绝你的邀请，那你就会更难受，

对不对？ M: Ha ha. Very funny. But you are right, if I got turned

down for a date Id be bummed. Im also bummed that summer

vacation is over. L：嘿，我可了解你，要是遭到女同学的拒绝

，你肯定会垂头丧气的。你连暑假结束也会感到烦恼。不过

，这个单词很有用。我希望学期结束时，我不会因为分数不好而感到bummed out。 M: Me too. Hey, I got an idea. Lets go to the student center and relax after class.L：我当然知道Johnson博士有多严格。好吧，下了课我们去学生中心休息一下。 M: Glad class is over! Im ready to chill for the rest of the morning. I havent had a chance to chill out these last few days, getting ready for school and all.L：什么？你说上完课很高兴，但是为什么一上午你会发冷呢？ M: Oh, no! Chill or chill out here means to relax. Chill, L：噢，chill或者chill out在这里是指休息。刚才你还说开学前没有机会chill out，到底是什么意思？ M: I said: "I havent had a chance to chill out these last few days getting ready for school."L：原来你是说：过去几天为了准备开学而没有机会休息。那你能说去打棒球，休息一下？ M: You normally go someplace calm and peaceful where you can relax. I like to chill out at the cafe with a book sometimes. And I know that you like to chill at the museum.L：打棒球不能说是chill out。不错，要到比较安静的地方才能休息。每个人还不一样，你喜欢坐在咖啡馆里看书，你知道我喜欢到博物馆去。能不能说到酒吧间去chill out?M: Sure, but we usually only say that if the bar is quiet and not too crowded.L：对，要是酒吧间人不多，也不闹，那就能这样说。这个单词太好了。谢谢你教我。我想今晚我到我的朋友家去chill out。 M: Sounds great! Ah, look at the time. I need to go meet my friend at the bookstore. Sorry that I have to go, Im really bummed to have to leave you!L：得了，你要去书店跟朋友一起买书，你就走吧，别说什么跟我分手很难受这种话。走吧，下回我们到别的地方去玩。 M: Cool. Have fun chilling tonight at your friends. See

you later!L：我今晚在朋友家肯定会玩得很高兴，Bye! Michael 和李华在对话里用了两个常用语，一个是：bummed或者是bummed out，意思是不高兴，烦恼；另一个是：chill或者是chill out，意思是休息，放松，或者玩。100Test 下载频道开通，各类考试题目直接下载。详细请访问 www.100test.com
