) The vehicle identification number. b) The unbiased inspector. c) The second-hand car dealer. d) The Used Vehicle Information Package. obtain=get reliable 可靠的 rely 依赖 , 信赖 previous 之前的问题 1. According to the passage, in buying a second-hand vehicle it is most important to know 1. The scariest part of buying a used car is not being completely sure of what condition it's in. A car that's been in a major accident is always a bigger risk, but sellers often try to hide this information. Andrew Bleakley, evaluator-inspector, runs a mobile vehicle inspection service in Montreal. For about \$80 he will perform a full, unbiased inspection on a used vehicle. In his 10 years as a professional inspector, Bleakley has seen a lot. He warns, " Watch out for dealer demonstration vehicles which are used, not new. They may have been in a collision. " scary 恐怖的 scariest 最恐怖的 always 总是 a bigger risk (the bigger risk than others) the biggest risk the bigger risk than sth. a) how long it has been used. b) what color it is. c) whether it has been in a collision. d) whether it leaks oil. collision 碰撞 答案 : c) 问题 2. All of the following are mentioned as tricks which dishonest second-hand car dealers may play upon their customers EXCEPT He adds that it is not uncommon in Ontario and Quebec especially for unscrupulous sellers to roll back the odometer or to even disengage it. Bleakley has special tools to check for this. 2. Bleakley always recommends hiring an independent technician to inspect the condition of a used car before you buy it. The problem is finding someone qualified to do the inspection, which he says generally doesn't mean just any mechanic. A thorough mechanical inspection includes checking the

compression, all major systems, including the engine, electrical and charging systems, transmission and drive line, fluids, brakes, suspension, and steering. brake 刹车 a) to re-paint the carb) to roll back the odometer. c) to replace the old pedal. d) to disengage the odometer. pedal 踏板 paragraph. 5 assume mean 意谓 5. Dont assume that new-looking brake and accelerator pedals mean the car hasnt been driven much. Resellers know people check these details and can buy new pads for around \$6. detail 细节 pad 答案 : a) 问题 3. “ An independent technician ” in the first sentence of the second paragraph means 2. Bleakley always recommends hiring an independent technician to inspect the condition of a used car before you buy it. The problem is finding someone qualified to do the inspection, which he says generally doesnt mean just any mechanic. A thorough mechanical inspection includes checking the compression, all major systems, including the engine, electrical and charging systems, transmission and drive line, fluids, brakes, suspension, and steering. Essential, too, is an inspection of the cars body and finally a road test. There are, however, a few things everyone can do before buying a used car: be qualified to do 有资格做 mechanic 机械师 Essential 重要的 , 主要的 a) a technician who checks a car free of charge. b) a technician who learned his trade all by himself. c) a technician who works for a particular car-dealer. d) a technician who runs his own inspection service. free of charge 免费 hiring hire 雇佣 答案 : d 3. Do a visual check of the car. Look at the right rear door hinges. If they are very worn, or the door doesnt close well, the car may have been used as a taxi. Holes in the roof

could mean the car was used for deliveries.问题4. According to Bleakley, before buying a used car all the inspection work can a) be done by a mechanic together with the dealer. b) only be done by a qualified mechanic. c) be done by the buyer himself. d) be done by a qualified mechanic together with the buyer. however, a few things everyone can do before buying a used car: however, but 出现段未, 引出新看法, 新观点答案: d

4. Check for oil leaks on the pavement. Note that leaks are not necessarily a significant problem - it depends on the cause. 5. Dont assume that new-looking brake and accelerator pedals mean the car hasnt been driven much.

Resellers know people check these details and can buy new pads for around \$6.问题5. According to the passage, from which of the

following can the buyer obtain reliable information of the previous owner? 6. Copy down the vehicle identification number (VIN), a 17-character combination of numbers and letters, from the vehicles dashboard. In Ontario, ask the dealer or seller for the Used Vehicle Information Package. This gives details of previous owners, any outstanding liens on the car, and the fair market value of the vehicle. this

(this\these\that) gives this (this\these\that) 指代前一句话 package 包 a) The vehicle identification number. b) The unbiased inspector. c) The second-hand car dealer. d) The Used Vehicle Information Package. 答案: d
