Four months before the election day, five men gathered in a small conference room at the Reagan-Bush headquarters and reviewed an oversize calendar that marked the remaining days of the 1984 presidential campaign. It was the last Saturday in June and at ten o'clock in the morning the rest of the office was practically deserted. Even so, the men kept the door shut and the drapes carefully drawn. The three principals and their two deputies had come from around the country for a critical meeting. Their aim was to devise a strategy that would guarantee Ronald Reagan's resounding reelection to a second term in the White House. It should have been easy. These were battle-tested veterans with long ties to Reagan and even longer ones to the Republican party, men who understood presidential politics as well as any in the country. The backdrop of the campaign was hospitable, with lots of good news to work with: America was at peace, and the nation's economy, a key factor in any election, was rebounding vigorously after recession. Furthermore, the campaign itself was lavishly financed, with plenty of money for a topflight staff, travel, and television commercials. And, most important, their candidate was Ronald Reagan, a president of tremendous personal popularity and dazzling communication skills. Reagan has succeeded more than any president since John F. Kennedy in projecting a broad vision of America - a nation of renewed military strength, individual initiative,

and smaller federal government. Kennedy) 以来的任何一位历届总统相比，里根更成功地勾勒出了一幅广阔的关于美国未来的前景--美国将成了一个重振军事雄风、民众富于个人进取心、联邦政府更加精简高效的国家。 100Test 下载频道开通，各类考试题目直接下载。 详细请访问 www.100test.com
