Woman: No, Bill. What did you get from your lunch-break shopping? Man: Ive got this new pullover, but Im not sure if it really suits me. What do you think of it, Helen? Woman: Well, its very nice as far as I can see, but put it on first. Then Ill tell you if it suits you. No hurry. We still have about half an hour to go before our office time. Man: I tried on about a dozen. This one isnt what I wanted really. Woman: Why did you buy it then? Man: The salesman sold it to me before I realized what had happened. He just never stopped talking and he told some story about the latest fashion and special reductions. Before I could say anything, hed wrapped it up and taken my money. Woman: Well, it doesnt look too bad. But havent you put it on inside out and back to front? Man: Inside out and back to front? Well, I cant tell the back from the front with these high-neck pullovers. I really wanted one with a V-neck. Woman: Its a good thing its got sleeves at the top or youd have put it on upside down now as well. Still, I think it suits you quite well. Man: I went out to get a blue pullover with a V-neck, short sleeves and a pattern and I came back with a white one with a high neck, long sleeves and no pattern. Woman: You must be too easy to take in. Youve got to learn to stand up to these high pressure salesmen. Theyll sell you all sorts of things you dont want if you dont watch out. Man: Next time, Ill

send my wife. She'll probably sell something to the salesman. Q19: What has the man just done during his lunch break? Q20: Which of the following is not a salesman's strategy for selling a product? Q21: How had the man put on his pullover according to the woman? Q22: What did the man originally want to buy when he went shopping?
